<b>Experience Level Check All That Apply</b>	<ul style="list-style-type: none"> <li>• I am a total beginner - super nubie :)</li> <li>• I have done some programming before but it was a long time ago</li> </ul>
<b>Do you have any previous programming experience? Please explain. What languages? For how long? What did you make? In school or on your own? Do you currently program? This helps us group students when working in small groups. *</b>	C++ and Pascal in college. Made a small "game" in Pascal. Learned VBA for MS Access front and back ends on the job - 4 years ago. Created databases for multitude of healthcare functions. Last project was a MS Access front end to allow employees to enter productivity numbers, and supervisors to view summary charts by bench and employee.
<b>Do you have any experience programming with Ruby or Rails? Please explain. Same as above. *</b>	None.
<b>How did you hear about Rails Girls LA? *</b>	A friend who is in a Rails study group.
<b>What inspired you to want to come to this workshop? *</b>	I want to see how I can apply this functionality in my current job, as well as any consulting gigs I may pick up in the next few years. Would also like to program with some cool women.
<b>What operating system do you use? *</b>	OS X (Apple Mac)
<b>Are you over 21 years old? It's okay if you are not. ;) *</b>	Yes
<b>If No, how old are you?</b>	
<b>Do you have any dietary restrictions that we should be aware of? *</b>	None
